- **NEW**
The Respect in Sport Program has been mandated by Rugby Alberta & Rugby Canada. One parent/guardian **MUST** take this program and enter the certificate number into the registration system when registering a player under the age of 18. **Without the certificate number a player cannot be registered.**
It takes approx. one hour to complete and does not have to be completed in one sitting. The cost is \$12 plus applicable taxes, and it's valid for four years. You can use an existing Respect In Sport certification number you have received through another sport (provided that it is still valid of course).

Senior players (women 18 and over, men 19 and over)

- There are some brand shiny new categories this year. **Please read carefully so that you select the correct one for you.**
If you're a coach as well, please select the appropriate package (scroll down the registration page). You won't be charged any more for your coach membership. If you are unsure what to register in, please contact Matt or me as below. We'd much rather help you before, than try and fix it after ('cos often we can't fix it ourselves).
- If you are a life member, and are purchasing a player membership for yourself, please contact Juliette at sarfcmembership@gmail.com for a unique one-time code to remove your Club fees before you submit your registration. Click link to [email Juliette](#)
