

Our response to re-opening during COVID-19:

The St. Albert Rugby Football Club encourages all employees, members, customers, clients, and visitors to maintain enhanced hygiene practices, including:

Basic Protective Measures – Wash your hands frequently! Clean your hands with an alcohol-based hand rub or wash with soap and water thoroughly to kill any viruses that may be on your hands. SARFC has provided additional hygiene stations to assist with this common, healthy practice.

****Maintain Social Distancing** – Distance yourself between anyone that you are not living in the same household with. (2'). SARFC has removed chairs and created barriers to assist in this.

Avoid touching eyes, nose and mouth – Our hands touch many surfaces which can pick up viruses and when we touch our eyes, nose and mouth, these viruses can then be transferred to us making us sick.

Our employees will be adhering to the following enhanced measures in the protection of our selves, other employees, members, customers, clients and visitors:

- All employees will wear a mask when social distancing cannot be maintained.
- Gloves **MUST** be worn when serving, discarded/ disposed of and replaced each time.
- All customers will be served at their table.
 - There is no bar service and there are no patrons welcome to stand at the bar area for any reason at any time.
- When paying electronically, the debit machine will be taken to the table and sanitized before and after each use.
- All plates and utensils will be disposable only and disposed of after each use.
- **NO REFILL** of glasses. New glasses will be used every time.
- No more than 25 guests inside the Clubhouse and 25 guests on the deck will be present at one time. (50 people maximum)
- Please be reminded that no tables will be reserved; guest will be served on a first come, first served basis.

Welcome back! We look forward to being back to serve you.

Please adhere to these expectations so we all stay **SAFE, HEALTHY** and **OPEN**.

Sincerely, The St. Albert Rugby Football Club
