

Return to Play - Registration is open!

Go to our website, or any of our social media pages, and click the link, or click this link to [Register Here!](#)

- Enter “Alberta”, and scroll down to locate our Club.
- Use your existing login. If you’ve forgotten your password, click to retrieve it – as the site will populate the info you have entered in there previously.

!! IMPORTANT INFO !! !! IMPORTANT INFO !! !! IMPORTANT INFO !!

- The playing membership fees (see chart below) are for **non-contact rugby** under Rugby Alberta’s Return to Play. Should we move into the contact phase, *you will be required to upgrade your membership* in order to be eligible to continue playing. We’ll provide further instruction at this point.
- **Juniors** - please register according to your year of birth. You will then be notified which cohort you’re in - which may not match the name assigned to the membership category.
- Your playing membership becomes valid as soon as you submit it and get your receipt. It remains valid thru ‘til April 30, 2021.
- By purchasing a playing membership, **you agree to abide by the Return to Play guidelines**. These will be distributed – please keep an eye on your email, our social media pages and our website.
- Playing membership fees are made up of fees charged by Rugby Alberta & Rugby Canada and cover insurance. **SARFC is not charging any Club fees**. This is because our main objective is to see our members back - on our fields and in the Club - running around, having a drink on the deck and enjoying themselves. Our non-profit Club still has costs to run Return to Play, such as maintaining our beautiful fields, paying insurance for our coaches. **If you are able to do so, please consider purchasing one of our non-playing memberships**. They’re available to buy on the registration site, and at the bar at the Club.

Note: non-playing memberships run calendar year expire on December 31st, 2020.

Fees chart – Return to Play
